

TERMS & CONDITIONS:

In the event a Covered Vehicle Key/Remote becomes inoperable, is lost or stolen, we will issue a replacement key. Covered Replacement Cost consideration will be made for reasonable and customary expenses, determined by Us using Our OEM pricing index or nationally recognized parts and labor resources, for key parts, remote components and labor (if required to reprogram key remotes) which in no case shall exceed the manufacturer's suggested retail pricing for a replacement key/remote. We reserve the right to use "like kind and quality" replacements for lost, stolen or inoperable keys/remotes. Prior authorization is required for all key replacements.

KEY REPLACEMENT EXCLUSIONS:

- Any replacement key made without Our prior authorization.
- Any cost or key replacement for which the manufacturer has announced its responsibility through any means, including public recalls or factory service bulletins.
- Any replacement cost covered by a repairer's or supplier's guarantee or warranty.
- Any key replacement for a vehicle not listed on the Registration Page, unless the Contract is transferred according to the Transfer section.
- Any consequential damages or loss, whether direct or otherwise, resulting from the failure or loss of a covered vehicle key.
- Replacement of any key that was not received by You in connection with the purchase of the Covered Vehicle on the Contract Purchase Date.
- Any claim for key replacement relating to an occurrence outside the United States.
- Any pre-existing condition related to the inoperable, lost or stolen key remotes.
- Fraud, misuse, or improper use.
- Dealer or lease company subrogation for key replacement costs during vehicle return process.
